

Hello, I am ajay

Flutter Developer

from India

Hire Me

About

Ralfiz Technologies is a software startup established in the year 2019 . We are providing professional software services to clients across India as well as abroad. We are providing services like website development and mobile app development. We are also providing internships and courses for young programming enthusiasts, who wish to kick start a career in IT industry. Most of our trained students are successfully placed in MNC's like TCS, Infosys and other companies
